

# Becoming a CIEL Network Associate Member

**Join a world-leading research alliance and add your expertise, as we bring innovation to livestock and aquatic food systems.**

**Member of CIEL  
Research Alliance**

**Associate  
Membership  
features:**

Join a world  
leading network  
for the food sector

Showcase your  
research facilities  
and expertise

Communicate your  
research to a large  
audience at CIEL  
organised events

Build networks &  
partnerships to tackle  
industry challenges

### What we do:

CIEL is the front door to a collaborative network of expertise. We signpost to the UK's world class research capability, create valuable collaborations, promote and deliver industry-led research, and identify opportunities to stimulate the development of new products, services and processes.

### Benefit from:

- Strong links to government, industry networks and funding providers
- Work to translate and disseminate knowledge and effective pathways to impact
- Networks to help identify appropriate exploitation and investment opportunities for commercialisation
- International reach
- Member communications on the latest research findings, agri-tech news and relevant funding opportunities
- Dynamic organisation status for funding applications
- Focus on future research infrastructure needs – horizon scanning to ensure the UK is well positioned to answer industry challenges.

**For more information about Associate Membership please contact: [enquiries@cielivestock.co.uk](mailto:enquiries@cielivestock.co.uk)**

Join the research partners list for CIEL project consortia

Access CIEL services, including project management and bid support

Collaborate with innovative start-ups developing new technologies

Access companies who may have an interest in licensing University IP
